

Amendments to the Drawings:

The attached 37 replacement sheets of drawings responds to the Draftsperson's objection to all 52 figures based on poor photocopies. Accordingly, the replacement sheets replace all 37 originally-filed sheets of drawings, which includes FIGs. 1-52. In addition, 37 unmarked, clean sheets of drawings, including all 52 figures, are enclosed for convenience of the examiner and draftsperson.

Attachment: 37 Replacement Sheets
 37 Unmarked, Clean Sheets

REMARKS

Claims 1-44, 58, 59, 61, and 73 are cancelled. Claims 45-57, 60, 62-72 and 74-78 remain in the application and stand allowed.

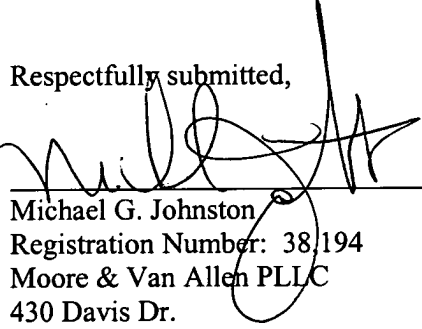

A review of the inventorship of the present claims to the invention has resulted in the removal of two persons incorrectly named as inventors. This change is necessitated by allowance of less than all of the original claims of the application. Accordingly, an amendment and request for deletion of the persons incorrectly named is enclosed along with the fee due. The Applicants respectfully request entry of this change by the examiner prior to issuance of the patent from this application.
